AMENDMENT

Dear Sir:

In response to the Office Action dated January 16, 2002, please amend the
above-captioned application as follows.

IN THE SPECIFICATION:

Please amend the paragraph beginning on page 3, line 26 and ending on page
4, line 10 to read as follows (See also Appendix A):

Paper products made in accordance with the present invention can
include various types of products, such as towels, wipes, napkins, facial
and bath tissue, and the like. The paper product can generally be
produced from paper webs having one or multiple layers. Moreover,
depending on the desired characteristics, the paper product can contain
one or multiple plies where each ply can contain one or more layers. The
basis weight of the paper products can vary dependent on the particular
application. In some embodiments, for example, the paper product can
